01 ABOUT THE COURSE

A structured path to interview-ready.

Complete Interview Prep is a structured approach to modern interview preparation for students, job seekers and professionals - the right mindset, frameworks and communication strategies for behavioral interviews, group discussions, domain-specific rounds and AI-led assessments.

You build strong foundations first - industry expectations, self-assessment, verbal and non-verbal communication, managing anxiety - then crack common and behavioral questions with the STAR method, tailoring answers to each company type.

WHO IT'S FOR

Students
Preparing for campus placements and HR rounds.

Fresh graduates
Walking into a first interview with structure.

Job seekers
Facing competitive interviews across companies.

Professionals
Switching roles or domains, and telling that story.

WHAT YOU'LL LEARN

01 **Analyze interview types** Module 1
Analyze interview types and develop tailored strategies for behavioral, technical, and domain-specific rounds

02 **Structure answers with STAR** Module 2
